About us

CENTURY SCIENCE PUBLISHING CO (CSP) was established in 2014. In partnership with research institutions, community organizations, enterprises, and foundations, CSP provides a variety of programs to support and promote education and research development, including educational programs for students, financial support for researchers, international education projects, and scientific publications.

Journal of Education and Educational Technologies (JEET) is a peer-reviewed, open-access international professional academic journal. It aims to reflect the latest achievements of educational reform and development, explore the laws of education, and serve to deepen educational reform and prosper education science. The main readers of this journal are principals, teachers, education administrators, education researchers, and enthusiastic comrades of large, middle and primary schools.

This journal is a high-standard and high-level peer-reviewed academic journal. The editors encourage contribution of articles with theoretical and practical related to education.

Plagiarism is strictly prohibited in this journal.
